NUCO2 TO PRESENT AT CJS SECURITIES INVESTOR CONFERENCE

STUART, FLORIDA, January 10, 2006 - NuCO2 Inc. (NASDAQ: NUCO), the largest supplier in the U.S. of bulk CO2 systems and services for carbonating fountain beverages, today announced that it will be presenting an overview of the Company at the 6th Annual "New Ideas for the New Year" Investor Conference, sponsored by CJS Securities, Inc., on January 12, 2006 in New York City. Michael E. DeDomenico, Chairman and Chief Executive Officer, and Jack Wilson, Chief Customer Officer and Executive Vice President, will be conducting the presentation, which will cover the Company's positioning as the leading supplier of bulk CO2 to the U.S. fountain beverages industry, its operating philosophy, growth strategies and financial performance.

A copy of the presentation will be posted on the Company's web site at www.nuco2.com on the morning of the presentation.

About NuCO2

NuCO2 Inc. is the leading and only national provider of bulk CO2 products and services to the U.S. fountain beverage industry. With service locations within reach of virtually all of the fountain beverage users in the Continental U.S., NuCO2's experienced professionals comprise the largest network of sales and support specialists in the industry serving national restaurant chains, convenience stores, theme parks and sports and entertainment complexes, among others. NuCO2's revenues are largely derived from the installation, maintenance and rental of bulk CO2 systems and delivery of beverage grade CO2, which are increasingly replacing high pressure CO2, until now the traditional method for carbonating fountain beverages. The technology offers consistent quality, greater ease of operation, and heightened efficiency and safety utilizing permanently installed on-site cryogenic storage tanks. NuCO2 provides systems and services that allow its customers to spend more time serving their customers. Visit the Company's website at www.nuco2.com.
