About NuCO2

NuCO2 Inc. is the leading and only national provider of bulk CO2 products and services to the U.S. fountain beverage industry. With service locations within reach of virtually all of the fountain beverage users in the Continental U.S., NuCO2's experienced professionals comprise the largest network of sales and support specialists in the industry serving national restaurant chains, convenience stores, theme parks and sports and entertainment complexes, among others. NuCO2's revenues are largely derived from the installation, maintenance and rental of bulk CO2 systems and delivery of beverage grade CO2, which are increasingly replacing high pressure CO2, until now the traditional method for carbonating fountain beverages. The technology offers consistent quality, greater ease of operation, and heightened efficiency and safety utilizing permanently installed on-site cryogenic storage tanks. NuCO2 provides systems and services that allow its customers to spend more time serving their customers. Visit the Company's website at www.nuco2.com.
